PROFESSIONAL SUMMARY

I'm a web developer and designer who loves creating things that work and look good. I enjoy learning, experimenting, and building solutions that make people's lives easier. I'm the kind of person who shares what I learn, grows fast, and pays attention to small details that matter. I care about writing clean code, solving real problems, and being part of a team that values growth and creativity.

EXPERIENCE

Freelance Web Developer & Designer / *Remote* / 2023 – Present

- Designed and developed responsive, functional websites for clients.
- Created logos, flyers, and brand identity assets that matched client goals.
